Call for Posters

On the evening of October 1st, the Center for Research on Violence Against Women will host a poster session to provide researchers around the country the opportunity to share current research projects with peers. The poster session will be held in conjunction with a reception, affording an informal atmosphere for maximum exchange of expertise. Researchers interested in participating should submit a proposal for competitive review which should include:

- Brief biographical paragraph(s) for presenting researcher(s)
- 500 word abstract describing study which includes Relevance for Understanding Violence Against Women Purpose and Methodology Results if Available

Send Proposals by August 18, 2003 to
Carol E. Jordan, M.S., Acting Director
UK Center for Research on Violence Against Women
c/o 700 Capitol Ave., Room 146
Frankfort, KY 40601

About the ____ UNIVERSITY OF KENTUCKY Center for Research on Violence Against Women

The mission of the Center The Center for Research on Violence Against Women at the University of Kentucky is committed to advancing scientific inquiry into the legal and clinical complexities presented by domestic violence, rape, stalking and related crimes against women. The Center is dedicated to enhancing the welfare and safety of those impacted by these crimes through research, scholarship, public service and strong partnerships with advocates and practitioners.
